Backlog Item #7

$$X = 200$$

Backlog Item #8

Please add the following binary numbers, and give the result in decimal:

110110

11000

1011001

101011

11010

100110

110010

11100

110001

1100011
